

About us

We ethically and responsibly breed, raise and sell short-legged and smooth coat Jack Russell Terrier puppies that uphold and improve upon this purpose-bred, working breed in terms of temperament and conformation.

Our puppies

- Are raised in a family environment.
- Are registered with the CanineSA Registry.
- Are certified healthy at their 6 week, veterinary checkup.
- Are raised on high quality Royal Canin kibble designed for growing puppies.
- Are microchipped.
- Have been dewormed a number of times.
- Have received their first vaccination.
- Are ready to go to their new homes at 8 weeks of age.

Responsibly breeding superior standards

EACH PUPPY COMES WITH A COMPLIMENTARY STARTER KIT WHICH INCLUDES:

- A Callensby keyring.
- A blanket.
- A toy.
- 2 hooves.
- A deworming treatment
- A Pro-Kolin treatment.
- A R200 electronic voucher to spend on any Royal Canin dog food purchase, and is redeemable at most vets and pet stores.
- 2kg bag of Royal Canin mini puppy food.
- 3 sachets of Royal Canin mini puppy food.

Our Promise to you

OUR PROMISE: We endeavour to provide each patron with a happy and healthy puppy, and commit ourselves to being available as much as is reasonable for any help and queries that patrons may have.

Clauses

- Puppies' tails are not docked and docking after sale is strictly prohibited.
- Sterilization of puppies at six months of age at the latest is mandatory.
- Puppies are for pet homes only and breeding is strictly prohibited.

*Failure to adhere to these conditions may lead to confiscation of the puppy.
